

# **GFG 34 RULES**

## **HOW TO PLAY:**

**Choosing a Team:** Owners will pick up to 10 (ten) golfers from "Golfer Value Page" whose total value does not exceed 32,000 pts., (except when using PRESS option.\*) OBJECT: If your team makes lots of \$ (or points), so will you!

**Changing a Team:** Each owner will be allowed to make 5 minor Changes and 2 Major Changes of their team over the course of the year. (Refer to "Schedule" page.) Owners who wish to make these Team Changes, pay \$10 for them. This fee entitles a team to make any or all of the Changes at their scheduled times. If you chose not to make any Changes, there will be no fee. Changes must be made by 12:00 midnight of the Wednesday before the next tournament begins. Please remember, any golfers that are dropped from your team, will not be eligible to be picked again for the remainder of GFG 34. Owners are wholly responsible for correct Team Totals. If and when making a Change, a Team Total exceeds the PRESS limit of 32,010 points, the least valuable golfer from the list of newly added golfers will be dropped, to comply with limit.

**The Major Changes:** It's just like starting over. At the scheduled Major Change periods (refer to "Schedule" page), you will be allowed to change any or all of your golfers, still not in excess of 10 golfers and 32,010 pts.\*.

**The minor Changes:** At the scheduled minor Change periods (refer to "Schedule" page), you will be allowed to change up to 3 of your golfers. You may drop no more than 3 golfers, and, you may add no more than 3 golfers, (and still, team total not exceeding 32,010 pts.\*)

[\***PRESS:** Any owner, when making changes, (minor or Major), may expand his teams value up from the limit of 32,000 pts. (at a fee of \$1 per additional 1 pt. in Golfer Value.) Example: An owner makes changes to his team, but realizes his total shot 3 points above the 32,000 point limit. With the PRESS option, he would be allowed to make this change by making a payment of \$3 extra, for the PRESS. His team would remain at that value until he decides to make changes (at which time the team's purchase value limit returns to 32,000 pts.\*) However, don't forget, there is a 10 point (\$10) limit on any PRESS. Owners are asked to pay for these PRESSES promptly.]

Note: The funds collected from the \$10 Change fees and all PRESSES forms the "GFG Pool". These \$\$ are awarded at the end of GFG 34 and are divided using the same % as the Prizes on GFG 34 Summary Page.

**LIV Rule** – Due to the PGA Suspension policy for Golfers that joined the LIV Tour, these golfers were removed from the GFG 32 Golfer Value Page, making them unavailable for pickup. If a Golfer, who is currently positioned on the Value Page, is suspended due to LIV membership, they will not be removed from the Value Page, but their earnings going forward will not be posted in GFG 34. When suspensions occur, notice will be made to owners ASAP, but it is the responsibility of Owners to manage teams. As of 11/22, 17 PGA Golfers who qualified for Top 125 status in 2023 were removed from GFG, and the Golfers who placed 126<sup>th</sup> through 142<sup>nd</sup> on the 2022 PGA Earnings List were added to the end slots of the GFG32 Value Page, to make up the difference. (For historical purposes, but still will apply in the case of LIV suspension.)
